# About me

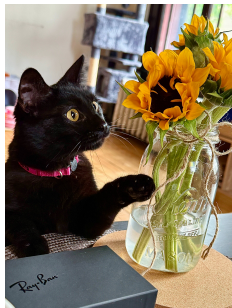

**Gabriel Correa** (he/him)

[ga.bɾi'ɛʝ ko'hɛɪ.ɐ]

- I was born and raised in Brazil! My native language is Portuguese, and I also speak (very little) German and Spanish
- My research is on **syntax** and **semantics**: I study the grammatical rules of human language and the relationship between grammar and meaning
- In my free time, I like going to Amherst Cinema and looking for linguistics books in used bookstores

# About Michi
